Upcoming Events

Texas Honors Institute

July 26-28
More Info to come

Scholarship opens
May 1st-July 1st

You must be a student returning to a community college with a GPA of 3.5 or higher who has completed a total of 15 credit hours and who was enrolled in at least 9 hours during the spring semester to receive a Texas STAR scholarship (spring mini-terms beginning after the end of the long Spring semester will not be considered part of the spring academic term). The Scholarship is contingent on the student being enrolled in at least 9 credit hours each semester the scholarship is awarded. The application must be completed in full in order to be considered for an award.

Congratulations To our Texas chapters!

Alumni Spotlight

Isaac Burris
Alpha Mu Chi
Northeast Texas
Community College
Graduation: 2016

Occupation: Pension Specialist

Being a member of PTK helped me at Texas A&M by acquiring the tools to thrive at a very large university and find my niche very quickly. I found myself being able to lead multiple study groups and being a transfer student mentor after a year of being at A&M.

Moreover, in my current occupation, being a PTK alum has pushed me to constantly perform at a high level while improving the surroundings that are around me. I have made a major impact on all of the client teams that I am a part of and improved the daily tasks that are conducted.
