Get to Know Your New District V Representative

Hello Everyone, my name is Theresa Anthony. I am a member of the Lambda Theta Chapter from Temple College in Temple. At this year's Texas Regional Conference in Abilene we were elected to be your District V Representative. I have been a member of Phi Theta Kappa for four semesters and during that time I have been the chapter treasurer and chapter president. During my time with Phi Theta Kappa I have had the opportunity to meet a lot of wonderful people and be part of some major accomplishments. I am looking forward to meeting each and every one of you this year. Do not hesitate to reach out to me with any questions or concerns. Also, let me know if you need me to speak at your induction and I will be there.

Message from the President

Hello Texas Region,

I hope everyone is staying healthy and, those who can, at home during this crazy time. But the important thing is that we are a family, so we are here for each other through all of this. If you have any questions, please do not hesitate to reach out to any of your regional officers. We are all here to help! We are still available to attend virtual meetings, orientations, and inductions, as well as to speak at those events. All you need to do is reach out!

Even with social distancing, we want the work of Phi Theta Kappa to continue so we can continue to provide support, programming, and scholarship opportunities to all of our members. And speaking of scholarships – don't forget the Phi Theta Kappa Spring Scholarship Application is open, so be sure to get started on your application right away. The deadline for this round of scholarships is May 15 at 5 PM. You miss every chance that you don't take. Every opportunity with Phi Theta Kappa is definitely worth it, and I can attest to that!

I can't wait to watch Virtual Catalyst with everyone. Don't forget to wear your Texas Region shirt (from TRC) during the Opening Session on Thursday, April 16. Take pictures and post those to social media with #IAmTXPTK.

Sincerely,

Katelyn Kimbrough
